**Builder-Upper:**  
I Am Creative!

**Bingzy says, "Be creative and  
make a stick puppet."**

Here's Bingzy!

## ACTIVITY

You can have your own Bingzy:  
Just color him and cut him out.

If you want to make him into  
a puppet, glue him to an art  
stick, or punch a hole near the  
top of the paper and tie it on a  
string.

(Ask for help if you need it!)

Have fun!
