**Builder-Upper:**  
I Am Happy!

**Bingzy says, “Getting good grades makes me happy. I counted the chicks and received a happy face.”**

## READ & DISCUSS

**Read aloud and discuss.**

Momma Hen had baby chicks.  
They needed a lot of care.  
Whenever she tried to count them all,  
They scattered everywhere.

The chicks were a colorful sight.  
Two speckled chicks were black and white.  
Four had feathers that were pretty and brown.  
One white chick just sat right down  
While three yellow chicks paraded around.

## ACTIVITY

**Color and count the chicks and you can get a happy face too.**

**How many chicks does Momma Hen have?**

**Color one chick white.**

**Color two chicks black and white.**

**Color four chicks brown.**

**Color three chicks yellow.**
