

Name: _____

Builder-Upper:
I Am Creative!

Bingzy says, “Look up, down, and all around for creative things you can see.”

ACTIVITY

Read the story aloud and draw a picture of what Bingzy sees.

Bingzy likes to learn
From every sight and sound.
He looks up into the blue, blue sky
While lying on the ground.

He sees a sheep made out of clouds.
He sees a bird go by.
He sees the trees above his head.
He sees an airplane fly.

“Looking up is good,” Bingzy says,
“As well as looking down.
There is much to see in our big world,
So look up, down, and all around.”
